INTELLIGENT COMPACTION COLD-IN-PLACE RECYCLING MAPPING INFORMATION CHECKLIST CEM-IC21 (03/30/2016)

Contractor's Submittal Documentation Mapping Information				
Submit information on a digital medium to the resident engineer within 3 business days of mapping existing pavement.	Submitted by (print name)	Date		
Upload information to the Department's secure file sharing system within 3 business days of mapping existing pavement.		Date		
Submit an Adobe *.pdf file of this form with notification of your electronic upload submittal to the resident engineer and IC@dot.ca.gov .	Submitted by (print name)	Date		
Resident Engineers Review and Authorization of Mapping Information This Section Is For Engineers Use				
Information submittal reviewed by (print name)	Information submittal reviewed by (signature)	Date		
Information submittal complies with the specification requirements? ☐ Yes ☐ No				
Contractor notified of accepted or rejected information subm	Date			
The intelligent compaction mapping information submitted by the contractor complies with the specification requirements.				
Resident Engineer (print name)	Resident Engineer (signature)	Date
